

INKLESS KITS

The Inkless system is used widely throughout the USA in maternity hospitals for taking newborn foot prints just minutes after birth.

Inkless paper and applicator towelettes comes in a presentation folder with instructions on the inside flap. Kits come with everything you need and is compact enough to fit into your hospital bag. Ideal Gifts for new mum.

STEP 1. Wipe

STEP 2. Place on Paper

STEP 3. Wait 10- 15 secs

Detailed prints will appear

INKLESS PHOTO GIFTS

Inkless prints can be transferred to our large range of products in store.

Just choose and purchase any of our products and send us the

hand/foot prints or scan and email them to us to create a unique keepsake.

Don't forget to include your personalisation details such as

name, date of birth, age, birth weight etc
